- In-House Drug and alcohol testing system to keep your workplace safe AND MUCH MORE!

WHY US?

At Fast Force, there are various service features and benefits designed to assist our clients to ease the challenges of hiring. We act as an HR extension for your company. Most of the features of our services are custom designed while keeping client's need as a main priority. Our consultants are not 'one size fits all' thinkers. We can assure that you will be guided and provided with the desired outcome in a timely manner.

CONSTRUCTION/TRADE SERVICES

We take responsibility for your casual workforce and contribute to your project's success by taking the hassle out of sourcing and managing your temporary labour needs.

Fast Force is committed to supplying labour that meets your standards every time.

We aim to match workers' skills and experience to your requirements. Please ensure we have as much information as possible to allow us to plan successfully for each job.

We try our best to ensure the workers we provide are trained and compliant with site safety and first aid requirements.

We source qualified & experienced staff for permanent roles as well as on short-term contracts. We are proud of our reputation for sourcing highly qualified workers at short notice and the personal touch we bring to our client relationships.

In these competitive industries, labour at a reasonable rate is incredibly important. Thankfully, Fast Force is committed to meeting your overall budget without compromising any skills required for the project. Over time, we have established a strong relationship with our wide client base, which ranges from several industry leaders to other smaller operators. Let us know about your project and we will hand pick a crew that fits your requirements. We can supply the following workers to your site:

WAREHOUSING, LOGISTICS & MANUFACTURING

We understand the time and effort required to find great people with the right attitude and skills for the logistics industry.

Warehouses are the hub of any business and carry huge responsibilities of a company's stock. Proper handling & management of this stock is not possible without the right workforce. Allow us to assist you in finding a reliable, honest, and hardworking team in the key areas of Warehouse Operations below:

- Pick/Packers
- Assembly Workers
- RF Scanner
- Machine Operators
- Cleaners
- Devanner
- Process Workers
- Bakers / Cook
- Factory Hand
- Store Person
- Forklift / Reachtruck Operator

DRIVERS

Whether you require Class 1, 2, 4 or 5 Drivers, we have got them covered.

Only 1 in 10 drivers that walk through our door make it through our rigorous interview & screening process. The reason is obvious – we take the safety of our client's business stock & the public on the road very seriously.

The other key factor is that drivers represent the company they work for, providing potential customers with their first impression. Safe and presentable drivers are our top requirement.

We aim to take the time, effort, and risk out of this area of your business by providing you with suitable candidates from our huge talent pool.

COURIER RELIEF DRIVER SERVICE

The courier industry is a key player in keeping NZ and the world moving forward. Every day, millions of parcels and important documents are delivered around the country.

Here at Fast Force, we understand how challenging it can be when working under pressure in this environment with deadlines. There is always a need for an extra hand, during peak times to deliver in a timely manner. Therefore, we have introduced the service of relief drivers. We are sure this will bring ease to your daily operation and a peace of mind.
